

American Lincoln Parts

American Lincoln Parts - Currently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the business they are known within the business as providing durable and strong equipment that satisfies the needs of heavy industry and larger infrastructure. Products made in America; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind model of floor scrubber along with the Clarke Company which is presently also owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These scrubbers are available in the market under the trade mark name "Encore". American Lincoln has the ability to provide parts, warranty service and equipment for these scrubbers which carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of big distribution centers such as Wal-Mart and Target. The 7765 line has earned the respect of several facility managers where results and efficiency count. Lately, this particular floor scrubber model has been requested by the architects in new construction jobs like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on site due to the model's supreme performance level and high standard of quality for polishing concrete.
